Core Education – Transitions:  
Lower and Upper Division

**All Transitions Courses will use the same Course Description**  
Enter the following statement into the Course Description field:

> Supports students beginning their Oregon State journey by introducing them to the university’s mission and goals, sharing the tools and resources it offers its students, and assisting students in developing strategies for their personal and academic success and well-being.

**Core Ed Questions**

Does this course fulfill a Core Ed category requirement? Yes/No  
Date SOI Approved MM/DD/YY

*CIM Help text: The Statement of Intent (SOI) is a form submitted through CIM Misc that notifies the Bacc Core Committee of your college's intention to request Core Ed status on certain courses. You can find the SOI approval date by viewing the ‘History’ column on the right-hand side of the misc proposal.*

If this course is part of Common Course Numbering, an additional question will be asked:  
Does this course qualify for the exception to be more credits than allowable for the Core Ed category due to CCN regulations? Yes/No

Is this course currently in the existing Bacc Core? Yes/No  
*** If your answer is Yes:  
Would you like this course to continue in the existing Bacc Core? Yes/No  
*** If your answer is Yes:  
Provide a rationale for the request for your course to remain in its current Bacc Core category. A good rationale will describe the fundamental continuity between the existing category and the new category.

**Open Educational Resources (OER)**

For the non-OER/non-freely-available course resources, indicate whether or not an effort was made to find (an) OER/freely-available alternative(s).

Yes  
No***  
Not Applicable (course uses only OER and freely-available resources)

***If your answer is No, you will have to accept the following OER acknowledgement:

In order to maximize access to quality General Education, OSU strongly encourages all course designers and instructors to use OER in their courses. Where adequate OER are not available, course designers and instructors are encouraged to search for low-cost or no-cost options.

**Syllabus Requirements**

We collect syllabus information in this form for archiving and reporting purposes. You may copy and paste text from your syllabus into these fields. For more information visit Syllabus-Minimum Requirements.

**Student Learning Outcomes**

Transitions courses will use only the Category Specific Learning Outcomes as course-level Student Learning Outcomes. Enter the following information into the SLO field.

For Lower Division:
1. Construct goals and individualized strategies for personal well-being, academic success, and professional development.
2. Practice community-building approaches that allow one to engage in society.
3. Identify institutional resources and tools necessary for student success and well-being.
4. Reflect on how their plans connect to OSU’s General Education and the institutional mission.

For Upper Division:
1. Create and implement goals and individualized strategies for personal well-being, academic success, and professional development.
2. Evaluate community-building approaches that allow one to engage in society.
3. Identify institutional resources and tools necessary for student success and well-being.
4. Reflect on how their plans connect to OSU’s General Education and the institutional mission.

**Course Content**

List weekly schedule including topics and assignments. If it is not possible to list the weekly schedule, include a concise outline of topics and activities covered in the course.

**How will student performance be evaluated?**

If the proposal includes multiple locations or modalities, and there are differences in the grading breakdown on the different syllabi, then this section must include information from all syllabi. *CIM Help text: Evaluation of Student Performance’ refers to the grading breakdown of your course. For example, “Participation: 10%; Assessment 1: 25%; Assessment 2: 15%; Quiz 1: 5%; Quiz 2: 5%; Midterm Exam: 20%; Final Exam: 20%” Grading is subject to Academic Regulations 17, 18 and 19.*

**Learning Resources**

*CIM Help text: Textbooks, lab manuals, etc, that may be required or optional.*

**Syllabus – Attach File(s)**

Core Ed/Bacc Core courses must include a syllabus for each location and each modality. Reference the specific syllabus template appropriate to the course, location, and modality. Templates can be found in the Syllabus-Minimum Requirements.
Syllabi must be updated to include the required Core Ed elements as found on the templates. Those elements are:

1. Include the verbatim fulfillment statement regarding the Core Ed category.
2. Include the 4 relevant category learning outcomes verbatim in an explicitly identified and labeled list which is located near the course fulfillment statement (see above).
3. Make a direct, clearly stated connection between each listed Core Education category learning outcome and specific attributes of the course content. The level of detail used should make it evident to students how different aspects of the course fulfill the specific category learning outcomes.
4. Include a clear description to students of how the Core Education category learning outcomes will be assessed within the course. Assessments need to be described in enough detail that the connection between assessment method and learning outcome is apparent. (simply stating “exam, quizzes, homework, class discussion” will not provide enough detail)
